The Southeast Fellows Institute was created by ACTEC Fellows located in Georgia, North Carolina, South Carolina, Tennessee, Virginia, and West Virginia to develop the profession's future leaders in trust and estate law through a series of in-depth educational presentations led by outstanding subject matter experts in each field.

Class II includes three, two-day sessions for professionals who have been nominated by an ACTEC Fellow and selected through a competitive application process. Sponsors have a unique opportunity to reach these aspiring members of the trust and estate profession.

As a reminder, local ACTEC Fellows are invited to join us for a networking lunch or reception during each of the three sessions.
